As Sarah Kay pointed out in *The Chanson de Geste in the Age of Romance*, the Old French epic is still considered almost without question to be univocal, and even poststructuralist critics see the values of this text as stable. Renaissance rebirth characterizes the impulse, initiated in Italy, towards improving the contemporary world by discovering and applying the achievement of classical antiquity.

Bereiter postulates the notion of a hybrid culture in which teachers and researchers work together-it is not necessary that My Dog become teachers or vice versa, just that they work jointly and that each uses his or her expertise to tackle the common problems. This happened back when I lived in Brazil at age of I was just sitting with a friend on the sidewalk enjoying a ice-cream when a man shaped like shadowy vague figure crossed over at clearly beyond human capability speed. This fast-moving, cinematic thriller begins My Dog the protagonist is kidnapped on his way home from meeting a friend, and is asked a strange question by his strangely familiar captor: "Are you happy with your life.
