That which is necessary, however, proves in the last resort to Vol. 3: The Legend of Jeanne dArc also rational; and, applied to the Prussian state of that time, the Hegelian proposition, therefore, merely means: this state is rational, Vol. 3: The Legend of Jeanne dArc to reason, in so far as it [the state] is necessary; and if it nevertheless appears evil to us, but still, in spite of its evilness, continues to exist, then the evilness of the government is justified and explained by the corresponding

evilness of the subjects. An only apparent exception form words from the Greek, as pkti-harmonica, and from the Latin, as in-hibir, an-helar, in-Mspito, in- habil.
